The Honorable Caspar W. Weinberger  
Secretary of Defense  
Washington, D. C. 20301

Dear Cap:

Thank you for your letter of 21 June 1982 concerning my request for a waiver of Department of Defense (DoD) Directive 5210.48 to permit polygraph testing of DoD personnel assigned to

While I am mindful of the broad policy implications of this matter within the DoD, I remain convinced that a uniform personnel security standard for all personnel assigned to facilities like [redacted] is a necessary step to strengthen the security of such facilities.

I note with appreciation the priority review accorded this question within DoD and look forward to an early resolution. Members of my staff are available if they can be of assistance in this decisionmaking process.

Yours,
